Big Brothers Big Sisters Receive Largest Donation in Agency's History from Communities of Abilene Federal Credit Union

We would like to send a heartfelt thank you to all the members that skipped a loan payment and donated this past holiday season. Thanks to you, Big Brothers Big Sisters (BBBS) received its largest donation ever Saturday, January 22, 2011.

With your support we were able to present BBBS with a check for \$32,060. That means 32 more children in Big Brothers Big Sisters can come off the waiting list. Big Brothers Big Sisters is a charitable organization that matches children with role models. These funds will be used in many areas of the Big Brothers Big Sisters program.

Communities of Abilene Federal Credit Union's "Skip-a-Loan Payment" program allowed members who had a loan to skip a payment in November and December if they made a donation of \$10 to BBBS through Communities of Abilene Federal Credit Union. Many members donated even though they didn't have a loan.

We thank you for helping BBBS make a positive impact in the life of a child.
