

## **Kasasa Play - Truth In Savings Disclosure**

This disclosure contains the rules that govern your deposit account as of April 10, 2023.

### **Account Overview:**

Kasasa Play: A free variable reward checking account with no minimum balance that rewards accountholders with nationwide ATM withdrawal fee reimbursements and refunds on debit card purchases made with specifically identified (a) video; (b) audio; (c) gaming and (d) other digital streaming services when they meet minimum qualifications during the account's Monthly Qualification Cycle. Please refer to <https://www.kasasa.com/play-partners> or visit one of our locations for a current list of valid Kasasa Play merchants.

### **Purpose and Expected Use of Account**

Account Expectations: This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled. Commensurate with these spending activities, we expect the account's debit card to be used frequently throughout the entirety of each month and for transaction amounts to reflect a wide dollar range.

Examples of Inappropriate Use: Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions, and other activities that appear to be conducted with the sole purpose of qualifying for the account's rewards, will be deemed inappropriate transactions and may not count toward earning the account's rewards. Accountholders who persist in making debit card transactions in a

calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether.

**Our Rights:** Communities of Abilene Federal Credit Union has the right to close this account at any time, with proper notice. We also reserve the right to analyze your account activity to determine: (a) if the account is being maintained for a purpose other than day-to-day primary use; (b) if debit card activities are being executed solely for the purpose of earning the account's rewards and (c) if another account might better serve your banking needs and activities. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use (defined by our institution as having a minimum of 12 debit card transactions posts and settled each cycle period) over 6 consecutive Statement Cycles we believe another account will better serve your needs.

**Ramifications of Account Closure:** Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Communities of Abilene Federal Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Play account, any optional add-on products / services associated with this account will also be terminated at the same time.
